Okay, slight correction. The third file is labeled as a new letter, but is dated December 2015, so I mistakenly thought it was just a copy of a prior submittal from Maya G-K. It is actually a new letter, with an incorrect date on it. I saved that one as well and it is attached. Btw, I also let Laura McCamy know about the date discrepancy. Let me know if you can't open this one. David

I haven't been able to open this PDF (says it's damaged attachment) – any chance you can save it and resend at some point?

Thanks!
